NOTIFICATION.

Simla, the 30th June 1898.

In exercise of the powers conferred by section 19 A., sub-section (2) of the Sea Customs Act, 1878 (VIII of 1878, as amended by Act IV of 1889), and section 20 of the Indian Merchandise Marks Act, 1889 (IV of 1889, as amended by Act IX of 1891), the Governor General in Council is pleased to direct that the following rules shall be substituted for rules 7, 8 and 9 of the rules published with the Notification of the Government of India in the Finance and Commerce Department, No. 1430, dated the 6th April, 1891:—

"7. An examination of yarns to test the accuracy of the description of count or length shall be made, in the first instance, up to the limit of one bundle in every one hundred bales or fraction of one hundred bales in the consignment.

8. If on such examination the difference between the average count or length and the described count or length is in excess of the variations permitted in paragraphs III and IV of the Notification of the Government of India in the Home Department, No. 1474 (Judicial), dated the 13th November, 1891, the importer may require a further examination to be made up to the limit and on the conditions stated in rule 9.

9. The test to determine length of yarns shall be applied as follows:—

From every one hundred bales, or fraction of one hundred bales, in a consignment one bundle should be selected at random. The hanks in this bundle should then be measured on the wrap-reel, one after the other, in the presence of a representative of the importer, and the lengths noted, the process being continued (within the limit of the bundle) until either the importer is satisfied that the yarn is short, or the average of the lengths noted shows that it is of full length.

When the importer is dissatisfied with this test, he may, on payment of the cost, require the Customs Collector to measure more hanks up to 1 per cent. of the total number of hanks in the consignment, such hanks being taken at random, by an officer of customs out of any bundles in the consignment."
