Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Madras Forest Act for the constitution of the Mogallur B extension block, in the Rapur taluk, Nellore district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

READ—the following letter from E. SCOTT, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue, Madras (through the Conservator of Forests, Central Circle), dated 8th January 1898, No. 1204-For. :—

In forwarding a copy of the Forest Settlement-officer's letter, No. 146, dated 13th December 1897, reporting the completion of the settlement of the Mogallur block B extension reserve, I have the honour to request that Government may be moved to publish the draft notification under section 16 of the Forest Act in the *Fort St. George Gazette*.

2. The draft from which the reservation should take effect has to be inserted in the notification.

3. Draft notification, claim register, sketch-map, area statement and numerical statement of claims are enclosed.

ENCLOSURE No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement-duty, Nellore, &c., Districts, to the Collector of Nellore (through the District Forest-officer), Nellore, dated 13th December 1897, Ref. No. 146.

I have the honour to report the conclusion of the settlement of the proposed Mogallur reserved forest, block B extension reserve, in the Rapur taluk of the Nellore district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared at pages 554-556 of the *Fort St. George Gazette*, dated 4th May 1897, and the proclamation under section 6 of the Act was published in the District Gazette, dated 3rd July 1897. The time allowed for the presentation of claims expired on the 3rd October 1897.

3. The block was inspected, perambulated and enquired into by me on the 2nd instant when six claims were preferred for the following rights :—

(i) One petition from the ryots to exclude the whole reserve.
(ii) Five claims to three rights of way.

The petition from the ryots of Mogallur to exclude the whole reserve involved in item No. (i) was rejected, as they do not possess, neither do they claim, any right to the land. The total waste outside the reserve available for this village is 680 acres exclusive of porambokes, as against 985 acres under occupation. From this it will be seen that there is ample waste in the village. The northern portion of this reserve, however, lies too close to the village-site and as they have also their wet fields near by, the ryots of Mogallur would have been put to much inconvenience if the line was not altered. Accordingly, with the consent of the District Forest-officer, the eastern boundary line has been thrown back a little.

4. The reserve is thus free of all rights except those stated above.

5. The following are submitted herewith :—

(i) A signed copy of the B. register of claims.
(ii) The draft notification under section 16.
(iii) The sketch-map of the reserve.
(iv) The numerical statement of claims filed and disposed of.

6. The date from which reservation is to take effect has to be inserted in the draft notification.
