OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),

Madras, 22nd June 1898.

READ— Endorsement of the Settlement Department, No 710 Routine, dated 26th May 1898, transferring to the Land Revenue Department, letter from L. M. Hynch Esqr, Acting Collector of South Arcot Reform Repr - No 289/ver of 98, dated 13th May 1898.

Reference No. 680 dated 22nd June 1898.

Submitted for the orders of Government.

2. The Collector of South Arcot proposes a redistribution of the marginally noted villages, which are comprised in the Gudalur and Savundariya sholapuram vattams in the Vridhachalam Taluk. The first and second bits of Tiruvadathurai Village included in the Gudalur Vattam are six miles apart, and the villages of other vattams intervene between them, and the two bits of Savundariyasholapuram Village included in the Savundariyasholapuram vattam are similarly circumstanced. To remove these anomalies the

the Collector suggests.

(i) that the 2nd bit of Tiruvadatturai be grouped with the 1st bit of Savundariyasholapuram which is only two furlongs from it;-

and (ii) that the 2nd bit of Savundariyasholapuram be similarly grouped with Puttheri of the Jolar vattam which is not more than a furlong from it. He further points out that there are now separate survey maps for each of the bits referred to, and states that his proposals are in accord with the wishes of the inhabitants of the villages concerned.

3. The present and the proposed constitution of the Gudalur, Savundariyasholapuram and Jolar vattams are shown in the statement appended to the Collector's letter. It will be seen from the statement that the Savundariyasholapuram vattam, which has a population of 578 and a beriz of Rs 1926 will under the arrangements now proposed have a population of 854 and a beriz of Rs 2,073. According to the scale adopted in Government Order, No 321, Rev., dated 12th May 1890, the group will become entitled to an establishment costing Rs 25 per mensem as shown in the margin, while the existing establishment costs only Rs 19. The additional cost involved is Rs 6 per mensem or Rs 72 per annum. In consideration, however, of the benefits which will arise from the proposed redistribution the Board recommends that the extra charge may be sanctioned.
