(LAND REVENUE).

READ—the following letter from E. SCOTT, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue, Madras (through the Conservator of Forests, Central Circle), dated 8th January 1898, No. 1206-For. :—

In forwarding a copy of the Forest Settlement-officer's letter No. 192, dated 13th December 1897, reporting the completion of the settlement of the Tummalatalupur reserve extension block, I have the honour to request that Government may be moved to publish the draft notification under section 16 of the Madras Forest Act in the *Fort St. George Gazette*.

2. The date from which the reservation should take effect has to be inserted in the notification.

3. Draft notification, claim register, sketch-map, area statement and numerical statement of claims are enclosed.

ENCLOSURE No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement duty, Nellore, &c., districts, to the Collector of Nellore (through the District Forest-officer, Nellore), dated 13th December 1897, Ref. No. 192.

I have the honour to report the conclusion of the settlement of the proposed Tummalatalupur reserve extension in the Rapur taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest under section 4 of the Madras Forest Act appeared at pages 554–56 of the *Fort St. George Gazette*, dated 4th May 1897, and the proclamation under section 6 of the Act was published in the District Gazette, dated 3rd July 1887. The time allowed for the presentation of claims expired on the 3rd October 1897.

3. The block was inspected, perambulated and enquired into by me on the 29th and 30th November 1897, and six claims were preferred for the following rights :—

(i) One petition from the ryots of Duggunta requesting to exclude a portion of the reserve for grazing, &c.

(ii) Five claims to three rights of way.

The petition by the ryots of Duggunta requesting to exclude a portion of the reserve involved in item No. (i) was rejected as the petitioners do not possess, neither do they claim, any right to the land. No portion of this village is included in the reserve and according to the village accounts there are 998·63 acres of waste exclusive of porambokes against 1,378·96 acres under occupation including inams in the village of Duggunta. The five claims to three rights of way were admitted.

4. The reserve is thus free of all rights except those stated above.

5. The following are submitted herewith :—

(i) A signed copy of the B register of claims.

(ii) The draft notification under section 16.

(iii) The sketch of the reserve.

(iv) The numerical statement of claims filed and disposed of.

6. The date from which reservation is to take effect has to be inserted in the draft notification.
