PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper:—

From the Under Secretary to the Government of India, Finance and Commerce Department, No.970 P, dated 25th February 1898.

I am directed to acknowledge the receipt of your letter No.2118 M.Mis., dated 28th September 1897, on the subject of the contribution for leave allowances and pension payable to Government on account of Muhammad Safdar Husain Sahib, a Deputy Collector on Rs.250/ a month who has been appointed under (amended) Section 37 of the city of Madras Municipal Act, as Revenue Officer of the Madras Municipality on a pay of Rs.400/ a month.

2. In reply I am to say that the reference has ~~been~~ apparently been made under a misapprehension as to the intention of the Section referred to. That Section imposes no responsibilities or conditions of the Government. It merely imposes an obligation upon the Madras Municipality to meet such payments in respect of contributions for leave allowances and pension as the rules or special orders of the Government may require the Municipality to make. The question therefore whether the Government may lend any of its officers to the Municipality and if so on what terms, so far as Government is concerned, is a question to be considered on the merits with reference to the executive orders of the Government in force for the time being and irrespective of the law which merely defines how far these conditions may be made obligatory on the Municipality.

3. I am accordingly to suggest that the matter may be reconsidered in the light of the above remarks.

ORDER No.1221 M.Mis., dated 8th July 1898.

Recorded.

2.

2. The contribution will now be recovered for pension only, at one-eighth of the assumed pay, under Article 809(a)(ii) of the Civil Service Regulations.
