READ—Returns showing the expenditure on stores received from Collectors, &c., for the year 1897–98.

RESOLUTION—No. 177, dated 12th July 1898.

The Board resolves to forward to the Accountant-General its consolidated statement No. IV of expenditure on stores for the official year 1897–98.

2. As usual, the Board has adopted the figures furnished by Messrs. Arulanandam & Sons in regard to the expenditure under press materials. Articles of petty value such as mattocks, saws, files, pick-axes, mammaties, bill-hooks, crowbars, &c., have, as usual, been omitted from the statement.

3. Under Part I, the expenditure during the year under notice exhibits an increase of Rs. 17,826 as compared with the figures of the previous year. The increase was due to the cost of materials obtained from England for the establishment of a saw mill on the Anaimalais, while the decrease of Rs. 1,534-5-7 and Rs. 885-7-11 respectively under Parts II and III was chiefly due to the smaller purchase of press [illegible] effected during the year, most of the requirements of the districts having been met in the previous year.

Acting Secretary.

To the Accountant-General.
" all Collectors.
" Messrs. P. Arulanandam & Sons.
Copy to the Secretary to Government, Revenue Department.
