REMARKS--On maps of previous surveys used as guides to boundaries.--Madras Revenue Survey maps have been consulted when available.

On demarcations in the field.--The forest boundaries were demarcated previous to survey. In many cases the demarcation was not in accordance with the Gazette notifications.

General Remarks.--The small outturn of work in the Kurnool district is due to the difficult nature of the country, and to sickness at the beginning of the season.

RESOLUTION--Forest No. 248, dated 21st June 1898.

Recorded.

2. The delay in the submission of the report which should have been received on the 1st April has not been explained. The Board observes further that the report should have been forwarded through the Conservators of the two other Circles concerned as required in Board's Proceedings, Forest No. 433, dated 7th October 1897. N.C.

3. The attention of the Conservators is drawn to the remarks of the Extra Assistant Superintendent regarding the defective demarcation of some of the reserves referred to.
