# Proceedings of the Board of Revenue

(Land Revenue).

Forest No. 4149 Mis, dated 11 July 1898

Read Endorsement of H. A. Gass Esq Ag Conservator of Forests, S.C. dated 6 July 1898, c/p. 85 forwarding to the Board the following letter from D. W. G. Cowie Esquire, Acting Collector of the Nilgiris, dated 6 July 1898.

Dis No. 2.

---

Referring to Board's Proceedings, Land Rs. dated 23 January 1894 Forest No. 52 communicating for my information and guidance, G.O. dated 10-1-1894 No. 8 Revenue, in para 4 of which the Collector of the Nilgiris is directed to report at the end of 5 years, whether the system therein prescribed regarding the adjustment of the proceeds of shooting licenses between "Forests" and the Nilgiri Game Association is working well, I have the honor to say that the District Forest Officer and Honorary Secretary of the Association informs me that the system has worked and is working perfectly well. All license fees are in the first place credited to "Forests" in the regular way and, after passing through the proper accounts, are disbursed by Forest cheques to the Game Association. Nothing could be simpler, safer or more satisfactory altogether.

## Resolution

Submitted to Government with reference to para 4 of G.O. No 8 dated 10 January 1894.

2. In that Order the Government directed that the full amount of fees realized from the issue of licenses for shooting &c should be placed at the disposal of the Nilgiri Game and Fish Preservation Association, but that the money should in the first place be credited to "Forests" and should pass through the proper accounts. The Government at the same time directed the Collector of the Nilgiris to report at the end of 5 years, as to the working of the system. The Collector now reports that all license fees are first credited to Forests and then disbursed by Forest Cheques to the Game Association and that the system has been working satisfactorily.
