READ— letter from B. Macleod Esq J. C. S. Collector
of Anantapur, R. C. No 948 dated 15th May 1898

Reference No. 618 dated 6th June 1898.

In the letter read above the Collector
of Anantapur requests sanction for the main-
tainment of a temporary clerk on Rs 20 for 3
months for indexing disposal files in the Goody
Deputy Collector's office, where no indexing work
is reported to have been done since the introduc-
tion of the Disposal no system in September
1895. The Board notes, however, that the report
on the state of records for 1895 shows that there
were no arrears of indexing work at the end
of that year. In the report for 1896 it is stated
that no papers were indexed during that year
owing

For orders. It seems a bad precedent that provision should be made in this way for clearing off arrears which are allowed to accumulate through the laziness or inefficient supervision a temporary clerk would do so very

much in 3 months. An extra ²⁹³ ~~293~~ ⁸⁵ ~~85~~ ^{Collops} ~~Collops~~ ^{hows} ~~hows~~ a bag for the ~~clerk~~ ^{clerk} in turn wd probab-
ly suffice for the work &

~~Board~~

The Board has examined the extent of the arrears & thinks an extra clerk can easily do it in three months. This may be sanctioned, with the intimation that no extension will be allowed, & a warning to the ~~clerk~~ ^{clerk} against permitting

Owing to pressure of work and constant touring and in that for 1897 the excuse given is want of time owing to the heaviness of famine work. The Board doubt whether these explanations can be accepted as altogether satisfactory, and the Collector will be requested to insist on in-
dexing work being kept up to date in future.

2. The total no of papers issued under the disposal no system in the two years referred to was 3069. As only important papers require to be indexed probably less than one half this no will have to be dealt with by the clerk applied for and the work should easily be completed within the period named.

3. If the entertainment of the clerk is sanctioned, as the Board now recommends, the charge can be met from the Reserve of 322 provided in Col. 2 of the Statement at page 59 of Board's Proceedings No 336 dated 12th October 1896

J.P. misc no. 3120 of 25th July 98.

The J.P. considers that the arrears should be dealt with by the existing ~~Taluk~~ establish ment working, if necessary, out of office hours. As the arrears are estimated to occupy one clerk 3 months there should be no difficulty in the whole ~~arrange~~ disposal of them in a month. The Board should instruct the Collector accordingly.

Why Taluk? It is the
of the Dy. Commr's office.
"Taluk" is wrong

Read 9/7/98 I think that if one clerk can clear off this arrears in 3 months the work can not be so much that the existing staff by working in the evenings can not clear it off in a month or even less and that this course which is that usually insisted on that be required in this case also.

I quite agree. If the arrears can't be cleared off in this way the Dy. Commr. who have been in charge since they began to accumulate should have put the extra clerk themselves
