Copy of letter from the Resident in Cochin Ref. on G.No.1679 dated 6th June 1898:-

I have the honor to forward herewith for the favourable consideration of Government an application from the Dewan of Cochin for the extension for another year of the loan of the services of M.R.Ry Rao Sahib S.Swaminatha Aiyar Avergal. This Officer's transfer to the Cochin state for a period of one year on a gross salary calculated to leave him a net pay of Rs.700 a month, was sanctioned by the letter from the Government of India, printed in G.O.No.527, Poll, dated 7th August 1897, the object of the transfer being to overhaul the accounts of the state for the past 9 or 10 years and to organize them on proper lines for the future.

2. It will be seen from an Office note submitted to the Dewan, copy of which is also forwarded herewith that the accounts were in a very unsatisfactory condition owing to the faulty system for many years in force, and that the task before M.R.Ry.Rao Sahib Swaminatha Iyer Avergal, was by no means easy. The introduction of a better system first received attention, and this reform has been partially effected. The accounts, judged according to the old system, were several years in arrears; and had to be written up before they could be subjected to any real audit. This work has however recently been completed, and the audit is now in active progress, but it will take considerable time, and an account Code has also to be prepared. I would therefore support the Dewan's application, for the money spent on Mr. Swaminatha's deputation will not be really remunerative unless he can carry his work to completion.

3. I would, however, recommend that an intimation be given at the same time that under no circumstances will Government be able to further extend the loan of this Officer's services. Two years should be ample for the introduction of a wholly new and satisfactory system, and I do not think any useful purpose is served by overhauling old accounts in view to possible discovery of defalcations

defalcations, which are most difficult under the old system to bring home to the authors, who have very likely died or retired in the interval that has elapsed. It is expressly understood that should Mr. Swaminath act in any other appointment in the State during his deputation, the fact will give no claim to an extension, for such period as he may spend in the execution of duties, other than those for which he is primarily deputed.

From the Resident in Cochin, Ref. on C.No.1679, dated
6th June 1908.

Order No.434, dated 16th July 1908.

His Excellency the Governor in Council regrets that he is unable to support the application of the Darbar in its entirety, as he considers that a further period of six months should suffice for the special duty on which Rao, Sahib Swaminadha Aiyar is engaged. Application will accordingly be made to the Government of India for an extension of the loan of his services to the Cochin State for this period.
