READ—the following papers:—

From Major W. L. C. BADDELEY, R.E., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Bezwada, 29th June 1895, No. 759 K.S.

I have the honour to inform you that the Collector of Kistna has, during the past year, called upon me to submit lists of contractors and their addresses, with the gross amounts paid to them, in view to assessing them for income-tax.

2. The preparation of this return involves a considerable amount of trouble in the division offices, and, according to the Act, it appears that a reference should only be made to me *at the instance* of any contractor who thinks his assessment is incorrect (*vide* section 44, Chapter VI, Act II. of 29th January 1886).

3. If the returns are considered necessary, I beg to request that they may be included in the list of annual returns in order that the required information may be booked whenever a payment is made to a contractor. Arrangements will also have to be made for registering their addresses.

4. I am not at all in favour of this department being obliged to furnish this information, but if it is necessary, it must be arranged for in a systematic manner and printed forms with definite instructions are desirable.

Proceedings of the Board of Revenue (Separate Revenue), dated 14th August 1895, Mis. No. 3462.

Read—endorsement of the Government of Madras, Revenue Department, dated 20th July 1895, Mis. No. 2900.

Resolution—dated 14th August 1895, Mis. No. 3462.

With reference to the endorsement of Government read above, the Board begs leave to report that, as remarked by the Government of India in a similar case in its letter, No. 4315 S.R., dated 28th August 1894, Finance and Commerce Department, the contractors are not employed in the service of the Public Works Department within the meaning of section 41 (*b*) of Act II. of 1886, and that, in accordance with the views expressed therein, the Superintending Engineer, II Circle, should not be compelled to furnish the information required by the Collector of Kistna regarding the sums paid to them.

Sir,

G.O. No. 2214. I have therefore the honour to request that you will be good enough to address the Chief Engineer so that the G.O. quoted above may be communicated to that Department for information.

B.P. ~~Con~~ No 3462 dated 14-8-95, which contains the ruling that P.W. Officers should not be asked to give information of sums paid to Contractors, was not communicated to Colbrs; and the P.W. G.O no 2214 W dated 5-9-95 was not communicated to this Depts. Hence it happens that Colbrs are making references to the P.W. Depts for the purpose of assessing contractors to Income tax. The P.W. Depts wishes to stop the references, and accordingly proposes that the B.P. which contains that ruling, should be communicated to them.
