Famine Expenditure.

Recording statement showing the actual expenditure up to the end of May and the probable expenditure in June under 33. Famine Relief.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—again the following paper:—

G.O., No. 500, Financial, dated 3rd June 1898.

Abstract.—Passing orders on the revised Famine Estimates for 1898-99 and the expenditure in April 1898.

Read—also the following paper:—

Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), No. 201, Press, dated 10th June 1898.

Resolution—No. 201, Press, dated 10th June 1898.

With reference to paragraph 3 of G.O., No. 33, Financial, dated 5th January 1898, and in continuation of Board's Proceedings, No. 175, dated 12th May 1898, the Board begs to submit a statement showing the actual expenditure up to the end of May and the probable expenditure in the current month under 33. Famine Relief.

2. The probable expenditure now reported relates to famine relief measures necessitated by the failure of the last north-east monsoon and is confined to the Nellore district. The estimate of the Collector of Nellore provides for the relief of 1,300 persons on works and 50 persons on gratuitous relief for a month; and this seems sufficient, as he expects, in case the south-west monsoon is favourable, to be able to close all relief operations in the district by the end of the current month. Estimates of famine expenditure, which will have to be incurred in this and in other districts in the event of a failure of the south-west monsoon, has been submitted to Government with Board's Proceedings, No. 182, dated 20th May 1898.
