OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),

Madras, _____ 189 .

READ—Progress report of Escheat Settlement in Malabar District for the month of May 1898, received from F.C.Parsons, Esquire, Ag.Collector of Malabar, Dis.No.163, dated 4th July 1898.

-------:0:-------

Reference No. 768 dated 14th July 1898.

Submitted to Government.

2. In his remarks on the statement for April 1898, the Collector stated that 4 out of the 8 lands pending in Cochin under the new settlement had been ordered to be struck off the Escheat Register for want of evidence on behalf Government and that the balance against the taluk was only 4, but the number of lands shown in the present statement as pending in Cochin is 7 (Vide Column 42 of Form B of the statement). The Collector is requested to explain the discrepancy.

3. The total shown in column 24 of statement B should be Rs.56-14-7 and not Rs.57-14-7. Again, the number of persons shown in column 33 against Cochin and the total in the same column should according to the details be 1 & 6 respectively and not 5 & 8 as entered therein.

4. The escheat return under review, which was due in the Board's office on the 10th June last, was received only on 7th July or 27 days after the prescribed date. The delay is stated to be due to the report of the Sub-Collector not having been received though several urgent reminders were sent to him. The figures relating to his division appear to have been compiled from the information available in the Collector's office. The Collector is requested to obtain an explanation

from the Sub-Collector for the inordinate delay and submit the same for the Board's orders with his remarks. The Board observes that these returns are usually submitted long after the due date as shown in the margin. The Collector is requested to see that in future the return is punctually submitted.

Monthly return for	Date of receipt in the Board's office	No. of days late
December 1897-	14 - 3 - 98	31
January 1898-	7 - 3 - 98	21
February 1898-	4 - 4 - 98	21
March 1898-	7 - 5 - 98	27
April 1898-	28 - 5 - 98	18
May 1898-	7 - 7 - 98	27

2. In this connection the Board observes that the date for the submission of the Collector's statement to the Board, i.e. 10" of the succeeding month is shown as the date for the submission of the return by the Board to Government (Vide appendix A to Government Order No.934 Rev., dated 11th November 1897). The Board requests that the dates may be altered to 20 and 30" respectively of the succeeding month. It is probably a matter of some difficulty for the Collector to get the statement from Tahsildars through their Divisional Officers before the 10th of the month.
