From

M. R. D. Venkatasastriam
Treasury Deputy Collector
Anantapur

To

The Collector of
Anantapur

With reference to G.O.
No. 2473 dated 11-6-98 advising
that I had overstayed my
leave by four days viz from
12th to 15th April 1898 and
declaring that I am not
entitled to any allowances
for those days, I most respect-
fully beg to ask that this
memorial may be forward-
ed for the favorable consid-
eration of Government.

I availed myself of
the Privilege leave of 2
months and 1 day from
the forenoon of the 10th Feb-
ruary 1898 and ought
thus to have returned
to duty on the forenoon
of 11th April 1898. But as

the 11th and 12th April 1898 were
Easter Holidays, I reached
Quartapur on the night
of the 12th so that I might
join duty on the forenoon
of the 13th, the date in which
offices opened after the
Easter, but on the 13th
itself I received from
you the order of Col.
No 1632 Dns of 9-4-98
directing me to appear
before the District
Medical Officer to
produce a certificate
of fitness. I reported
myself to you on the
forenoon of the 13th
and represented to you
that as the L.D. alone
referred to was received
by me that morning
I was prevented from
joining duty on that
date and you were
pleased to order that
in case the certificate
of the medical officer
was obtained I should

be considered to have
returned to duty on the
13th only - there being no
train for Quinalak
that day, I reported
myself before the
District Surgeon there
on the morning of the
14th taking the 1st train
and returned to Head
Quarters by the night
train. The certificate
of the medical officer
was received by you
in camp on the 15th but
as your telegram int
imating the grant of the
certificate was received
by me late on the 15th
I had to take charge
on the morning of the
16th. An extension of one
day's privilege leave
was subsequently
granted to me by the
Government i.e. for
the 11th. I deem

It was under the
orders of Government
that I was compelled
to appear before the

Medical officer for medi-
cal advice and under
Article 1247 of the C.S.R.
I am entitled to travel-
ling allowance for
the journey made by
me to Sumitral and
back and from the
spirit of the rules con-
tained in Article
1250 of the C.S.R. I beg
to be permitted to
declare that the period,
namely from 13-4-98
to 15-4-98 spent by me
in obtaining the advice
should be counted
as "on duty". I beg
also most respectfully
to submit that I can-
not be considered
to have absented my-
self during these days
as the circumstances
in which I was placed
there are such as not
to bring my case under
any of the conditions
laid down in the
definition of the word
"absentee" under Article
9 of the C.S.R.

from the spirit of
Articles 1247 to 1250 of the
regulations regarding
the title of travelling
allowance for journeys
made in order to
obtain medical advice.
I think that the time
occupied by such
journeys should be
treated as that spent
on duty except in
cases where it is un-
necessarily prolonged
when it should be
treated as leave on
medical certificate.

The period lately
spent by me to obtain the medical
advice was only a day.
My absence from my
legitimate duties on
13^d, 14^d & 15^d April 1898 was
not due to any fault
on my part, but under
the C.O. above quoted,
it was unavoidable
and not within my

Under the circumstances explained there is no account objection to Mr. R. R. Venkatasastri avergal being considered to have taken charge of his duties on the 13th April 1898 the date on which he reported himself for duty as the Collector of Tanjore. No extra cost to the state is involved his substitute not having drawn acting allowance for this period.

Submitted to the Government, Revenue Department, through the Accountant General and the Board of Revenue. Land Revenue, for favour of re-consideration.

Mr. R. R. Venkatasastri having actually reported himself to duty on the 13th April his absence from work from the 13th to 15th April cannot, in fairness, be considered as absence from "duty" since his absence was due to compulsion by Government and not to his own choice. The definition of the word "absentee" which does not include cases of absence to obtain Medical Certificate and article 1247, Civil Service Regulations, seem to indicate that an officer who is —
compelled

has given 2 months ^{privilege} leave from

the day on which he should have joined (11th + 12th being Easter holidays). He had to go to the Dist. Surgeon & the certificate reached the collector on the 15th. Mulhavarastri joined on the 16th forenoon. Thus he overstayed his privilege leave 5 days. He was eligible for & was granted an extra days privilege leave. There seemed ^{to be} no way of getting over the 4 days. But the H.G. now reports ^{account} that there is no objection to considering him to have joined on the 13th.
