The P.W.D (Rly Bch) send Rev a letter from the Agent Madras Rly & and asks Rev to answer it.

The Agent asks

(1) "if there are any Municipalities other than those mentioned through which this Railway passes, other than those mentioned below x to whom the Rly. pays taxes;

(2) "if I am correct in assuming that as regards these Municipalities the Company is not required to take any action with regard to the registration of births & deaths occurring within the limits of the Railway".

qualified to answer the first question we seem to h the Agent himself since presumably he knows the towns to whom he pays taxes.

All the help that letter can h given him seems to h to furnish him with a list of the municipalities in this Presidency. In the case of those which lie on the line of the Madras Ry, we cannot say for certain whether the Railway is within municipal limits or not. Apparently the 2nd Dept has no maps of the municipal areas in this Presy.

With regard to the 2nd query, we can tell the Agent that the Govt does not ask him to issue any Executive orders as the subject within municipal areas as it does in the case of road railway limits

lying outside municipal areas. (Vide G.O. 213 Rev dg 4 & 5 8). within municipal areas the duties of Railway Officials in the matter of births & deaths is regulated in this Presy by the provisions of the District municipalities act IV of 1884 + in the case of mofussil municipalities and of the Madras municipality act I of 1884 in the case of the Presy Town.
