READ Endorsement by J. W. Cherm Esquire, Acting Conservator of Forests, C.C. dated 9 July 1898, No 30 forwarding for sanction the following letter from J. H. Robertson Esquire, Acting Collector of Trichinopoly, dated 7 July 1898.

Re No 666-7. ECRII.

I have the honor to request that you will obtain, under Section 20 of the Forest Act the sanction of the Government for the erection of a stone-causeway, 12 feet wide, in the Kulitalai Reserved Forest, Kulitalai Taluk, Trichinopoly District from the embankment to the Ferry in the Cauvery and to close the existing cart track.

2. The Local Fund Engineer reported that the existing cart track was very bad and wished to erect a new stone-causeway instead. Permission was accordingly granted and it is reported that the causeway has been completed except for the spreadr

of gravel which has yet to be done.

Reference No. 303, dated 20.7.98

Submitted for the sanction of Government.

2. As the Stone-Causeway has been substituted at the desire of the Local Fund Board it is evident that the requirements of Section 20 of the Forest Act have been complied with.
