From the Govt. of India - dated
27-7-98 (C no 5271)

To Secy

Two cases of bleached cotton goods imported at Madras were detained by the Cbr of Sea Customs, as they were found to contain pieces cut into ^{two} or three lengths made up to the standard length of full 40 yards marked on the first fold of every piece.

2. On complaint made by the Madras Chamber of Commerce, ~~the~~ enquiry was made and the Govt. arrived at the conclusion that the action of the Cbr of Sea Customs ~~was~~ was justifiable. Letter to the Govt. of India No 5999 dated 20-11-97.

Page 2 of the papers under

G.O. no 2123 dated 17-5-98

3. The Govt. of India appears to have approved the action of the Madras Customs authorities; for in ^{its despatch} ~~its letter~~ to the Secy of State it stated "we consider that each piece (portion) should be marked with its own length, or that the outer piece (portion) should show that the aggregate length is distributed over a number of pieces".

This arrangement was accepted by the Chamber of Commerce, which suggested that it should not be rigorously enforced for some time - i.e. until the merchants had

Sufficient time to observe the new arrangement. The correspondence was communicated to the Board of Rev in G.O. No 2123 dated 17-5-98.

4. Apparently the Customs Colbr should have released the two cases which have led to this correspondence ^{on receipt of orders from the Board of Rev;} and the Govt of India enquires whether they have been released, and if not, why not.

5. Please see a draft reference to the Board of Rev on the docket sheet of the Customs.
