PROCEEDINGS OF THE MADRAS GOVERNMENT.

OFFICE OF THE PUBLIC WORKS DEPARTMENT, No. 469 D,
Dated 15th June 1908:-

The Director, Public Works Accounts, has brought to notice the absence of any provision in the Civil Allowance Code covering the case of an allowance attributable to a clerk whilst Section 17 of the Code does not confer that privilege leave and fortnightly payments to Government with Government. During the month of November in April last, 1941, U.S.T. Estimating Officer, Clerk in this office, resigned from privilege leave on 30th April and joined the Government office on 6th April. The allowance payable to him was calculated as from 1st April under rule 17 of the Code. The Director, while provisionally paying the allowance for the 1st and 2nd April, points out that there is no provision in the Code admitting the grant of such allowance to an officer on leaving leave overseas. It is considered that the fact of a clerk's joining from privilege leave should not affect the question of the allowance payable and the question of the question of the question is referred to the Financial Department for an authoritative decision.

From the Accountant-General, No. I.A.B./232, dated 15th
July 1933:-

Submitted to Government, with the remark that article 17 seems to cover the case of the fact of a clerk having been on privilege leave prior to joining his office at London and proceeding to Government with Government does not affect in any way the grant of the special allowance under the article
