PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from R. MORRIS, Esq., Acting Collector of Kistna, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Northern Circle), dated Masulipatam, 17th January 1898, Dis. No. 1655 Forest:—

I have the honour to submit herewith a draft notification under section 4 of the Madras Forest Act for the reservation of Gungalagunta extension I block in Palnad taluk covering an area of 1,937 acres.

2. The block was originally selected by P. Ananda Rau in November 1892 but modified after inspection by the District Forest-officer, Mr. Lushington, in March 1893, and preliminarily demarcated by K. V. Subba Rau, Deputy Ranger, in March 1897.

3. The forest growth consists chiefly of *Accacia sundra* with *Hardwickia*, *Chloroxylon* and other good species.

4. The statement of area and condition, the ayakat abstract and the demarcation certificate are enclosed along with a sketch.

Endorsement by A. W. PEET, Esq., Conservator of Forests, Northern Circle, dated Camp, Bezwada, 3rd February 1898, R. C. No. 1225.

Forwarded.

Reference on the above, dated 25th February 1898, No. 78.

The ayakat statement submitted with the letter read above shows that the proposed block consists of 1,937 acres of unsurveyed unassessed area of Gungalagunta village. The statement, however, gives no particulars of the extent of land under cultivation, so as to enable the Board to see whether ample waste lands exist outside the reserve for the reasonable requirements of the villagers. The Collector is requested to furnish the necessary information at an early date.

2. The compass direction is not given in the map. The omission should be supplied.

3. It is observed from the sketch-map that a plot of land inside the reserve is demarcated with stones. Although no mention is made of it in the Collector's proposal, it is presumed that the plot will be dealt with at settlement.

4. An early reply is requested.

(Signed) R. C. C. CARR,
Secretary.

To the Collector of Kistna, with the sketch-map
and ayakat statement.

READ—also the following letter from R. MORRIS, Esq., Acting Collector of Kistna, to the Secretary to the Commissioners of Land Revenue, dated Masulipatam, 4th April 1898, Dis. No. 2115-Genl.:—

Referring to the Board's Reference No. 78, dated 25th February 1898, in Forest Register No. 326 of 1898, I have the honour to resubmit the ayakat statement and the sketch therewith received, with the omissions pointed out in paragraphs 1 and 2, respectively, duly filled in.

2. The plot referred to in paragraph 3 is the land under cultivation inside the reserve and it will be dealt with at the time of settlement as presumed by the Board.
