With reference to Board's Proceedings, Mis. No. 790, dated 5th February 1898, I have the honour to state that the following orphans are reported to have been left on the hands of Government in Sirvel taluk at the close of the late famine. There are none so left in the other affected taluks.

2. The Head Assistant Collector has been requested to report as to how the above orphans are being maintained, and on receipt of a reply from him, further particulars will be furnished.

Resolution—Mis. No. 3378, dated 30th May 1898.

The papers read above contain the replies of the Collectors of affected districts to the enquiry made by the Board as to the number of orphans, if any, left on the hands of Government at the close of the late famine. It would appear that there were only twelve orphans in all who had to be provided for—seven in Ganjám and five in Kurnool.

Of those in Ganjám, two died, two were taken charge of by relatives, one was given over to a man presumably of the same caste, for adoption, with a present of Rs. 5 from the Indian Famine Charitable Relief fund, and two were taken over and adopted by their caste people without any pecuniary remuneration.
