To

THE RIGHT HONOURABLE LORD GEORGE FRANCIS HAMILTON,
Her Majesty's Secretary of State for India.

Simla, the 2nd June 1898.

MY LORD,

IN continuation of our Despatch No. 6-Economic Products dated the 27th January last, we have the honour to forward, for Your Lordship's consideration, a copy of a letter from the Government of Madras, No. 1242, dated the 11th March 1898, in which they recommend the grant of a special allowance of Rs. 200 a month to Dr. Bourne, Professor of Biology at the Presidency College, Madras, during the period he has been, and will be, in charge of general botanical work in the Madras Presidency, that is, until the appointment by Your Lordship of a Government Botanist.

2. It does not seem unreasonable that Dr. Bourne should receive some remuneration for the executive work undertaken by him in the absence of a Government Botanist, and the proposed local allowance of Rs. 200 per mensem does not appear excessive. We therefore recommend that Your Lordship be pleased to sanction it.

3. Dr. Bourne would of course not be entitled to the proposed allowance for periods during which he officiated for Mr. Thurston as Superintendent of the Government Central Museum, Madras, and during which he was therefore in charge of the Herbarium and of botanical work generally.

We have the honour to be,

MY LORD,

Your Lordship's most obedient, humble Servants,

(Signed) ELGIN.
