to the Board of Revenue,

Sir,

I have the honour to request that you will be kind enough to move the Government to grant me two months' extra privilege leave, with reference to the Govt. of India Resolution communicated with G.O. no 6198 Rev. D 2nd December 1897.

2. I have been working as your assistant, and, prior to your appointment, as Mr. Benson's assistant, since November 1896, and have, as such, been "employed on duties connected with famine relief" for more than ten months.

3. I have not, during the above

period, been "remunerated by special salary or allowances" for the performance of famine duties.

4. It is known to you how "unusually arduous" my duties have been - Under the heavy and continuous strain of very hard work, my health broke down in July last; and yet in the interest of famine work in the office I remained at my post and have not spared myself in the discharge of my duties. Of late, I have been growing weaker and I stand very much in need of some rest to recruit my health. I beg to submit that I have had to attend office and work hard throughout the Christmas holidays of 1896-7, the Easter holidays of 1897 and the Christmas holidays again of 1897-8, not to say anything of the numerous other gazetted holidays and Sundays. If I had been permitted to avail myself of these

holidays as my brother officers in other departments have been, I might probably not have been in need of any rest now and might not have troubled you with this application.
