 ponement of collection of the arrears due on the three taluqs
 of North Arcot, Chingleput, and North Arcot
 Rs. 10,000 due from the Raja of North Arcot
 Rs. 10,000 due from the Raja of North Arcot

2. The Raja of North Arcot requests permission to pay
 the above mentioned arrears along with the 1st and 2nd instalments
 of Rs. 10,000 due from the Raja of North Arcot in December 1898 and March 1899, on the
 grounds that, owing to the insolvency of the North Arcot taluqs in 1891
 the total of Rs. 10,000 due from the Raja of North Arcot in 1891
 has been advanced to him by the Government in all the
 instalments; that, the collection of arrears having for the same reason
 not been attended with much difficulty, he was obliged to raise
 loans on the pledge of his property in order to pay the 1st and
 2nd instalments of Rs. 10,000 and a portion of the 3rd instalment of Rs. 10,000
 that he is unable to raise any loans on the security of his
 estate, as his title to it is at present the subject of litigation
 in the High Court. He prays, that, in case the above request
 is not acceded to, some of the villages in the North Arcot
 Taluk of the Chingleput District be attached and, if necessary,
 sold for the recovery of the arrears due on all the three
 taluqs of his estate.

3. The Collectors of North Arcot and Chingleput recommend
 the suspension of collections. The former officer, would, however,
 postpone the collection of the arrears due on the North Arcot
 Taluk only, until December next; while the latter is in favour
 of permitting the Raja to pay up the arrears due on Chingleput
 in two equal instalments in December 1898 and March 1899,
 but limits the amount to be so postponed to Rs. 10,000 on the

assumption that Rs. 4750/- will shortly be paid, as stated by
 the Zemindari Tahsildar in his deposition before the Deputy
 Collector at Tiruvallur. The Board understands, however, that
 the last mentioned amount has not been paid in the Chingle-
 put District. It accordingly recommends that the entire ar-
 rears outstanding against the Pamur and Kachinad taluqs (Rs.
 28,763) be permitted to be paid in two equal instalments
 in December 1898 and March 1899, on the usual condition that
 the Raja grants a similar indulgence to his tenants.

4. The Collector of North Arcot, on the other hand, states
 that, judging from the report of the Deputy Tahsildar of Kala-
 hasti, the circumstances of the portion of the estate situated
 in his district are not such as to call for the postponement
 of collections prayed for. The Board accepts the Collector's
 view, and is not prepared to recommend any suspension, in the
 case, having regard to the fact that the season was less un-
 favourable in Kalahasti than in the Pamur and Kachinad ta-
 luks. The measures which should be taken for the recovery
 of the arrears may be left to the Collector's discretion; the
 Board cannot recommend the attachment and management of spe-
 cific villages, as desired by the Raja.

Hachmad taluk (Chingleput Dt)	14,771
Kalahasti taluk (N. Arcot Dt)	11,452

The necessity for this concession
 is stated to have arisen from
 the fact that owing to the
 insufficiency of the S. W. and
 the total failure of the N. E.
 monsoon in fasli 1307, the
 Zamindar was obliged to make
 arrangements for granting
 large remissions in all
 the taluks, that the collections

a similar indulgence to his demands.
As regards the arrears in the N. Arcot
district the Member reports that
the circumstances of the position
of the estate situated in that district
are not such
~~to warrant~~ as to call for the
postponement of collections prayed
for. The Board accepts the Collector's
view, and is not prepared to
recommend ~~the postponement~~

5 In regard to the request of
the Rajah, mentioned in para 3 of
this note, the Board says:—"The
measures which should be taken for
the ~~recovery~~ recovery of the
arrears may be left to the Collector's
discretion; the Board cannot
recommend the attachment and
the management of specific vil-
lages, as desired by the Rajah".
The ^{reason for the} ~~former~~ Rajah's request that
Kachinad villages alone may be
proceeded against will appear
from the following extracts from
para 7 of his letter No 181

Dy 15-6-98 to the Board of Revenue
Pargy
"There is nothing much left

signed by

Panner in Nellore District, besides what I have to grant remissions to demands in respect of wet lands. Kachinadi Saluk is my head quarter where I live with my relatives and servants. Hence I specially request that the villages of Kachinadi Saluk be attached for the recovery of the whole arrears due by me, unless relief is granted."

Para 6. " + + + Instead of attaching my properties in the two other Saluks in North Arcot & Nellore districts which would simply lower me in the estimation of my demands in all parts of my Zamindari. Moreover the demands of Kachinadi Saluk are more than what I have to pay to Govt."

Para 9. " In conclusion I hope that the Board will be pleased to grant me either of the two prayers & thus to preserve my social position and dignity in this critical period."
