Dated 20 August 1898.

My dear Sir,

Under Section 38 of the Forest Code, an Assistant Conservator before obtaining promotion to the 1st grade of his class is required to pass the necessary tests and to receive a certificate from his Conservator that he is competent to hold charge of a forest district. Mr Scot, who came out to this country in November 1896, passed all the necessary examinations in the following July; his Conservator, Mr Cherry, has now granted him the certificate of competency and recommends his promotion with effect from the 1st February 1898,

Yours faithfully,

pointing out that the rules for the training of Assistant Conservators, contained in Appendix VI of the Forest Code, imply that an Assistant Conservator cannot receive promotion to the 1st grade until after the completion of one year's service, although he may have passed the necessary tests. The Forest Member concurs in this opinion and accepts the Conservator's recommendation to promote Mr. Seal from 1st February 1898.

2. I am accordingly directed to submit the enclosed draft of appointment for His Excellency's approval.

Yours sincerely,
Lionel Davidson
