Note

The block ~~was~~ proposed for initial reservation in the B.P. read above is probably part of the extension of 20,280 acres to the Dodhigam reserved forest, proposed in the scheme for further reservation in the Cuddalore district approved by the Govt. in G.O. 322 of 24.4.93. (Please see ^{the} list of blocks under "Jammalamadugu taluk" on page 6 of the G.O. flag E).

Another block of 2220 acres, ~~also probably~~ forming part of the said extension, was proposed by the Board for notification under Section ⁴ in B.P. (Forest) No 170 of 6 May 1898 (flag S).

2 Enough land have been left outside the reserve to meet the grazing requirements of the villages adjoining the block.

A draft order is submitted on the docket of the Current.
