2. The notification under section 4, proposing to constitute this area into a reserved forest, appeared in the *Fort St. George Gazette*, dated 23rd July 1895, and the proclamation under section 6 was published in the District Gazette, dated 7th August 1897.

3. The block was perambulated, inspected and inquired into by M.R.Ry. K. Ganapayya Garu in August 1897, and six claims in all were filed for the following rights:—

(i) Four claims to right of way over two cart-tracks;
(ii) One claim to inam right over 7·85 acres of land; and
(iii) One claim to miscellaneous rights.

4. The claims involved in items (i) and (ii) were admitted and that in item (iii) was rejected.

5. The last claim was disposed of on the 11th September last and the appeal time expired on the 11th October without any appeal being filed, but the three months' time allowed for preferring claims expired on the 7th instant.

6. The block is thus free of all rights except those admitted above.

7. The following are sent herewith:—

(*a*) B. Register of claims;
(*b*) Draft notification under section 16;

It is observed from the Conservator's remark against the proposed extension (item 69 at page [illegible] of Government Order communicated in Board's Proceedings, No. 382, dated 18th August 1896) that the boundary should be modified in two places to improve its shape. According to the sketch-map, no such modification appears to have been made during settlement. The Collector is requested to report on the point. In submitting final reports of blocks from the district, the Collector should invariably see that the Conservator's suggestions regarding them are given effect to.

2. The description of the cart-track admitted in claim 2 has not been recorded in the draft notification. It should be reported whether the path in question has been diverted along the boundary line as ordered by the Forest Settlement-officer.

3. A very early reply is requested.
