Read—the following paper:—

No. 235 I.

Note by the Acting Chief Engineer for Irrigation.

In G.O., No. 681 I., dated 13th August 1896, it was decided that the preparation of the Engineering History of the Periyar Project should be entrusted to Mr. A. T. Mackenzie, Executive Engineer; and Proceedings of Madras Government, No. 884 I., dated 27th October 1896, contains the sanction of the Government of India to the payment to him of an honorarium of Rs. 1,000 on the completion of the work.

2. Mr. Mackenzie having completed the History, forwarded a typed copy of it to this office, which was in June last, at his request, sent on to Mr. S. D. Pears, Executive Engineer, North Arcot division, who, it would appear, has undertaken to pass the work through the press.

3. Under G.O., No. 363 I., dated 13th April 1897, 400 copies of the Engineering History of the Kistna Delta System have to be printed. It is recommended that a similar number of copies of the Periyar History may be printed.
