PROCEEDINGS OF THE BOARD OF REVENUE
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—again the following Proceedings of the Board of Revenue (R.S., L.R. and Agri.), Mis. No. 4254, dated 13th July 1898 :—

Read—the following letter from L. M. WYNCH, Esq., I.C.S., Acting Collector of South Arcot, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated Cuddalore, 25th June 1898, Ref. on Regr. No. 809-Ver. :—

I have the honour to request the sanction of the Board for the supply of 50 feet measuring tapes to Divisional officers, the cost being met from Minor Irrigation funds. No tapes have been furnished to Divisional officers in this district hitherto. But it is eminently desirable that Divisional officers should occasionally check-measure Minor Irrigation works.

Resolution—Mis. No. 4254, dated 13th July 1898.

Forwarded to the Superintendent of Stationery with the request that four measuring tapes, each 50 feet long, may be supplied to the Collector of South Arcot.

Secretary.

Copy to the Collector of South Arcot.

READ—the following G.O., Mis. No. 3565, Revenue, dated 30th August 1898 :—

Read—the following Proceedings of the Board of Revenue (R.S., L.R. and Agri.), Mis. No. 4591, dated 27th July 1898 :—

Read—the following letter from J. N. ATKINSON, Esq., I.C.S., Superintendent of Stationery, to the Secretary to the Commissioner of Revenue Settlement, Land Records and Agriculture, dated Madras, 21st July 1898, No. 455 :—

With reference to B.P., Mis. No. 4254, dated 13th instant, I have the honour to inform you that G.O., No. 132, Revenue, dated 16th February 1894, authorizes the supply of measuring tapes 50 feet to Minor Irrigation overseers but not to Divisional officers. I am therefore unable to comply with the requisition without the sanction of Government.

Resolution—Mis. No. 4591, dated 27th July 1898.

The foregoing papers will be submitted to Government with the Board's recommendation that sanction may be accorded for the supply of four measuring tapes, 50 feet long, for the use of Divisional officers in the South Arcot District. The Collector desires the supply in order that his Divisional officers may have the means of check-measuring repairs to Minor Irrigation works.

2. The Board also requests authority to sanction the issue of similar tapes for the use of Divisional officers, Tahsildars and Revenue Inspectors when it considers this necessary. The cost in all cases will be debited to the Minor Irrigation grant.

To the Secretary to Government, Revenue Department.

Order thereon—Mis. No. 3565, Revenue, dated 30th August 1898.

The supply of four measuring tapes for the use of Divisional officers in the South Arcot District is sanctioned as recommended. The Board of Revenue will be further empowered to sanction the issue of such tapes for the use of Divisional officers, Tahsildars and Revenue Inspectors when it deems this necessary.

2. It is presumed that the cost of tapes supplied during the current year will be met from savings in the grants.
