In reply to B. P. no:
1479 R. dated 23rd August
1898, I have the honor to
state that a sum of Rs
255-5-4 only on account
of irrigation Cess was
levied under the Mayur
Channel in Tachil 1307. The
Collection seems to be only
about $\frac{1}{4}$ th of the total
demand. I am calling in
the

the Divisional officer to report why the arrears are so large.

2. Effect was not given to the system of repairing the channel by means of the compulsory irrigation cess in fasli 1307 for want of Coolies for the reasons stated in this office letter Ref on Eur: no: 2125 dated 18th August 1898 submitted to Government with B. P. no: 5281 & also dated 3rd September 1898. I consider that the amount of the cess levied in fasli 1307 may be taken towards the dues of fasli 1308 in which the system may be brought into effect.
