To

J. H. A. Tremenhare Esq.
Collector and Chairman of Municipal Council
Cotacamund.

Sir,

I am desired by the Right Reverend the Bishop of Madras, to bring to your notice, the wish of the Reverend A. H. Lash, and the Native Church of England Community at Cotacamund to obtain a suitable site for building a Church. St Thomas' Church, which they use once each Sunday, is not conveniently situated for the greater number of the members of the Congregation. The whole number is about 500.

Your kind influence and assistance are asked for securing a site, with permission to build a Church upon it.

The enclosed letter from Mr. Lash mentions some grounds for requesting favorable consideration of the proposal, and the sources from which the amount required for building the Church will be drawn. His Lordship fully believes that Mr. Lash will succeed in raising the amount.

The Bishop and Archdeacon are Trustees of the property near St Stephen's, in which for several years a Tamil School was held, and the Tamil Congregation worshipped, and are willing that that property should be sold, and the purchase money be used for building the proposed Church.

Mr. Lash will be happy to explain his wishes regarding the site.

request that you will be good
enough to bring to the notice
of the Governor in Council
the subject of the disposal
of the old Church Mission

My dear Sir,
His Excellency

His Excellency wishes me to ask
you to be good enough to write in-

on the subject, as the matter is
one that will have to be gone

of the property, are willing
that it should be sold, and
the proceeds of the sale
devoted, with other funds, to
the erection of a place of worship

Last year, during my absence
in England, his Excellency
expressed his wish that before
the property was disposed
of, Government might
be consulted, as the

site might be required for
Government purposes -

I shall therefore feel much
obliged if you will ascertain

(a) Whether the Government
requires the site referred to -

(b) Whether I may expect any
help from Government in the

direction of acquiring a site

Dear Mr. Linn

The Rev. E. Sell Secy CMS

the old Church kitchen room,
formerly used for a school

I am anxious to dispose

has no views in the matter at
all at present.

My dear Sir,

Please look at the accompanying file and kindly let me know whether there was any particular reason for telling the Rev. A.H. Dash to write to the Secretariat about the matter.

He evidently wants to know whether the Government wants and will take the site and room he refers to for a public purpose and give him instead a site somewhere else for his proposed new church. Ordinarily the Collector would be the proper person to address in the first instance.

Yours sincerely,

My dear Forbes,

My only reason for telling Lach to write to the Secretariat about this matter was that it was one which they would have to dispose of, not I; i.e. it was a matter for foot, not for the Governor. Perhaps I ought to have told him to write to Batterworth in the first instance, or you might perhaps do so now.

Yours sincerely,
G. M. S. S.
