OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),

Madras, 26th September 1898.

READ— letter from E. Morris, Esquire, Acting Collector of Kistna, to the Secretary to the Commissioners of Land Revenue Madras, R.C. No. 405/ of 1897, dated 9th September 1898

Reference No. 1084 dated 26th September 1898.

In the appendix to Government Order, No. 354 Political, dated 4th June 1896 (item 15 in page 8), the Government sanctioned the resumption of the Fakir Takiya (rest house) inam at Mondapalle, in the Bezwada Taluk, on the ground that the duty of feeding fakirs daily at the Takiya was not performed and that ~~no~~ no rest houses were kept up by the inamdars.

2. It now appears that the report on which ^{this} ~~that~~ order was passed was made under a misapprehension as to the facts of the case due chiefly to a mistake on the part of the village karnam who confused two institutions. The Inam Register maintained in the Inam Commissioner's office does not show that the feeding of ~~the~~ fakirs at the Takiya was the condition of the grant and all that can be inferred from that document is that the grant was confirmed on the condition that the rest house should be properly kept up for the use of fakirs. The Collector states that an enquiry has since been made at the instance of the managing member of the Religious [&]ndowment Committee, North Kistna, and that it has been ascertained that the Takiya has all along been in existence and properly kept up and that fakirs have free access to it. He adds that the Head Assistant Collector has certified to these facts after personal inspection of the building

and examination of the Muhammadans of the place, and accordingly recommends the cancellation of the order directing the resumption of the inam in question.

3. In these circumstances the Board supports the Collector's recommendation and submits it for the sanction of Government.
