SEPTEMBER.

Accepting, with remarks, the Accountant-General's suggestion to substitute Form No. 32 of the Civil Account Code (Extract Register of receipts of deposits) for Form No. 67-A of the Forest Code.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from T. HESKETH BIGGS, Esq., Accountant-General, to the Secretary to the Commissioners of Land Revenue, dated Fort St. George, 25th August 1898, No. 4079:—

I have the honour to state that in his report on his recent inspection of this office, the Deputy Auditor-General has suggested the substitution of Form No. 32 of the Civil Account Code for Form No. 67-A of the Forest Code, as the use of the latter by District Forest-officers necessitates the entries therein being copied in my office into the Civil Account Code form. A specimen of Form No. 32 in use by Treasury officers is herewith forwarded, and a comparison of the two forms will show the Board that there is unnecessary duplication of work at present. I have the honour to suggest, therefore, that the use of the Account Code form be prescribed in section 158-A of the Forest Code. It will be observed that the change will not add to the work of Forest-officers, as the former form merely contains additional money columns for the use of the Audit office which do not find a place in the latter.
