Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 24th September 1898.

Mis. No. 3848.

Acting

Read the following letter from Bryce Mc Master Esquire, Deputy Commissioner, Central Division, No. 5511, dated 18th September 1898.

"With reference to Board's Proceedings, Mis. No. 3471, dated 1st September 1898, requesting me to explain the reasons for proposing four amani arrack depôts instead of three as originally proposed for the Markapur Circle, I have the honour to report that after consulting the Collector and the Assistant Commissioner and with a view of bringing the shops in the northern corner of the Cumbum taluk within easy reach of a depôt, Nacherla was considered a convenient centre for the establishment of one, while Markapur would serve for shops which would otherwise have to be dependent on either Cumbum or Yerraguntlapalem.

2. If, however, the Board takes objection to the establishment of so many as four depôts, the system could be worked with three, in which case Giddalur, Cumbum and Yerraguntlapalem would be the most suitable localities. This would give the shops in the north of the Cumbum taluk further to go for their supply".

Resolution.

under G.O. 3785
1998

Resolution.

In the circumstances reported the opening of a depôt
at Racherla is approved.
