ing had no scope for further promotion in the Agricultural department, from 1st August 1893, when he began to draw the maximum salary of his appointment, viz, Rs. 250, requested his official superior, the Deputy Director of Agriculture, by letter, to recommend him, for promotion's sake, for the post of Deputy Collector, or for that of the 2nd Assistant in the department of Revenue Settlement, Land Record and Agriculture, whose work he has been doing for about 15 months. The Deputy Director's endorsement is to the effect that it would be a serious loss to the agricultural department, if Mr. Rao's services were per-

the appointment of Sub-Assistant Director of Agriculture be placed on the same footing as that of a Deputy Collector, and the holder allowed promotion alongside his contemporaries in the Deputy Collectors' list, Mr. Dy. Subba Rao will, and must always remain most unfortunately placed, which will not be a reward for good service, and that such a state of things must, if it continue, prevent the Agricultural Department from having that choice of subordinates that is essential to good work.

(C No. 4446)

From The Board of Revenue (R.S. & R.A.)

No 3637 Dated 17th June

* Office please explain (separately) the delay in putting this paper up for order. 1898
with the attached to R.S.

FOR ORDERS

In order to pay..

In the current read above the Board of Revenue recommends that the post of Sub. Assistant Director of Agriculture (Pay Rs 200-10-250) may be placed on the same footing as that of a Deputy Collector for purposes of pay and promotion and that the present incumbent of the appointment, M. R. R. C. K. Subba Rao, be placed last on the list of permanent Dy. Collectors, sixth grade (pay Rs 250).

2. The main reasons which have induced the Board to make the above recommendation are that in the Agriculture Dept. there is no other promotion and such state

C 8/10/98
11/10/98

etc of things must prevent
Agricultural Dept from
making that choice of subordinates
that is essential to good work.

3. M. R. R. C. K. Sukha Row
entered Govt service in 1881
and his service has been as
follows:-

dy Sup^t Govt farms Pay Rs 100. September 1881.
As^t Agricultural Lecturer .. 125- October 1884.
2nd Assistant .. 150-5-200. September 1886.
Sub As^t Director of Agriculture .. 200-10-250- July 1888.
Draws the maximum pay since
1st August 1893.

4. He has thus put in nearly
17 years service. In addition
to being a graduate he has
passed all the examinations
qualifying for a Deputy
Collectorate.

5. His request is that he
may either be appointed as Secy
As^t Board of Rev. R. S. D. & A.
or that he may be appointed
as a dy collector. Both the
dy Director and the Board
consider that it would be
a serious loss to the Agricultural
Dept if his services were
permanently

permanently diverted from agri-
cultural work: and the Board
accordingly proposes that the
appointment of Sub. Assistant
Director of Agriculture should
be made with dy collectors
and M. R. R. C. K. Sukha Row
be placed last in the list of
permanent dy collectors six
grade.

b. The question for consideration
is whether it is desirable or
necessary to make the Sub As^t
Director of Agriculture with
dy collectors. The appointment
of Sub Assistant Director of
Agriculture was sanctioned in
1886 in G.O. No 14 D. 10.1.1888
and the duties of the post was
stated to be as follows:-

"His officer should ordinarily
work under the Inspector of
Cattle Diseases, whom he should
assist in the duty of supervising
the local Inspectors. But during
the absence on leave of the
Assistant Director of Agriculture
or at the time of agricultural
shows

shows the services of the Sub-
Assistant would be available
for any work which the Director
"might give him". Attention
is also solicited to Mr. Nicholson's
Preliminary Note printed in
the Report of the Agricultural
Committee, page 107, in which
it is stated: - "The Sub Asst.
Director of Agriculture is practically
an Assistant to the Inspector
of Cattle Diseases, but is available
for agricultural work on special
occasions". As a matter of
fact, however, the present
incumbent has been working
as an office assistant in
the Board of Revenue (R.V.D.R.).
It is submitted that the objection
raised by the Govt. of India
to paying the Assistants in the
Boards and Govt. Offices would
equally apply to paying the
Sub Asst. Director of Agri.
and Dy Collectors. The Govt.
of India states: - "The
objection, advanced in support
of diversion of ministerial
posts

Please see letter in G.O. No.
350 D 12.6.95.

posts into Dy Collectorships are
that the holders of the Secretariat
appointments are already in
practice selected from among
those who have rendered approved
service in executive and
magisterial capacities while
the nature of their duties in the
Central office renders them in
turn well fitted to discharge
executive functions should it
become necessary that they should
do so. The Govt. of India regret
they cannot concur in this
view as it appears to them
that training and experience
for ministerial and clerical
functions are distinct from
those which are required in
the executive service. They have
already refused to allow the
appointments in question to be
included in the Provincial Service
on the ground that the duties
attached to them are ministerial.
They have also made it a rule
that the ministerial heads of
offices should not be posted
offices.

Officers; and they are therefore
unable to approve of this part
of the scheme".

In these circumstances it
is submitted that sufficient
grounds do not exist for
finding the Sub Asst. Director
of Agriculture with Dy Collectors.
Moreover if this were done
it will create a bad precedent. /A.

7. In this connection it may
be pointed out that in connection
with the Agricultural Res.
of the Govt of India the Dept.
is likely to be reorganized and
the Sub Assistant Director
will in all probability have
sufficient scope for promotion
in his own Dept. /B.

10.58. Secy
For the reasons at
A & B, the proposal seems
open to objection. There
is a pat tendency to
propose to grade all kinds
of posts in the Dy Collectors list
eg. Presy magtes. Submitted
that the line must be drawn
somewhere. /Me
6.10.58

I agree. I would not
say "for the present."
11.10.78

7
H. H.
As the duties are now
discharged they appear to
be far more of a ministerial
than of an executive character.
Moreover the future of the
whole dept. is under consideration
& it is not desirable to confer
on the subordinates of it at
present ~~extensive~~ claims
which might be inconvenient
to deal with when the organization
is being worked out. The application
may be rejected for the present
