Under Secretary's remarks
on encl. 6214 of 1898.

"What are the rules under
which the fund is administered?
Who made them? Under what rule
is Government sanction necessary?
Put up originals."

It is submitted that the
rules under which the Irrigation
Cess Fund is administered, are
those given in Board's standing
order No. 97. These rules were
compiled by the Accountant-
General and modified by the
Board vide B.O. 99 of 9.5.87.
Under rule 39 which is para 3
of S.O. No. 97, the order sanctions
permanent establishments -
must be forthcoming in the
Collector's office concerned -
and temporary establishments
are generally entertained under
the sanction of the Collector
during certain months of
year and during times
of water. It is not
definitely whose

G.O. 4635
8.8.87

necessary in the case of -
 permanent establishments.
 Recently the Inspector of local
 roads pointed out that the
 Collector's sanction was not -

vide para 2 of the Collector's letter
 in P.O. 5376 in G.O. 1327
 13.5.97 16.3.98

sufficient for maintaining
 the temporary establishment
 and that the Board's sanction
 should be obtained. The -

Accountant-General's letter of
 19.3.97 in G.O. 1327
 16.3.98

Accountant-General who
 was referred to by the Board
 stated that rule 41 of the Special
 Fund rules only empowers
 the Collector to sanction -
 temporary establishment during
 certain months of each year and
 that it was inferred from it
 that where the establishments
 are to be entertained for a
 longer period the sanction of
 the Board of Revenue would
 be sufficient as that body
 is the controlling authority
 for the various special funds
 but that on the analogy of
 P.W.D. Government orders
 showing the village -
 establishments it was evident
 that sanction of Government

is necessary for the entertain-
 ment of Special Fund establish-
 ments.
