(Eco: Pro:) SIR,

16th September 1898

With reference to the correspondence ending with the telegram from the Government of Madras, dated the 23th July 1898, I am directed to forward, for the information of the Governor in Council, a copy of the correspondence marginally noted, from which it will be

1. Telegram from Her Majesty's Secretary of State for India, dated 1st August 1898.
2. Telegram to Her Majesty's Secretary of State for India, dated 5th September 1898.

seen that the Govern-
-ment of India have
agreed to a proposal
made by Her Majesty's

Secretary of State to give Mr. C.A. Barber a permanent pensionable appointment.

2. This proposal has, however, been accepted on the condition that Mr. Barber's services will not be given entirely to Madras, but that he will be available for appointment elsewhere in India on completion of the botanical survey of the Madras Presidency, which, anticipated, should take about five years. On the withdrawal of Mr. Barber, the office of Botanist to the Government of Madras would be brought under reduction

In the under levy.

The Govt of India communicates the orders of the Govt of State appointing Mr Barker to a permanent pensionable appointment in India. The Govt of India states that this proposal has been accepted on the condition that Mr Barker's services will not be given permanently to Madras, but only until the completion of the botanical survey of the Presidency which it expects would take about five years. It is proposed that at the end of this period his services should be made available for other Province.

Attention is drawn to the telegram from the Govt of

India

C3/10/98

India 12.1.98 (in G.O. No 248
17.1.98) from which it
will be seen that the Govt
of India then recommended
the appointment of a Botanist
to Madras only for a period
of five years. It is in these
circumstances presumed that
no action is necessary at
present.

It may be convenient
to here briefly to summarize the
circumstances of and the
conditions of Mr. Barben's
appointment.

In our letter
of 9.9.18 & 26 Nov 97 we
asked the Govt of India
to apply to the Secretary
of State for a Botanist
in this Presidency on the following conditions

(1) ^{He was to} get a pay of Rs 500-50-700 per
month free quarters.

(2) He was to be under
the direct control of the
Govt Museum.

(3) His duties were to
be (a) the superintendence
of that portion of the Botanic
Survey of India which
appertains to this Presidency
(b) lecturing on Botany
at the Presidency College, &
(c) examining on that
subject in the Madras
University.

(4) His Headquarters
were to be at Madras.

(5) He was to pass the
same Tamil Test as
Forest Officers.

The modifications
made by the Govt of India
& the Secretary of State in
the above terms are as
follows.

As to (1). Mr. Barben
pay is to be Rs 700 p.m. (with
free quarters apparently - but this
is not specifically stated).
He is to be in Madras for 5
years only.

As to (2). No modification
stated.

(3). Mr. Barben
will do his work in

1) attend to all systematic
& economic botanical work

India 17/1/1898
Examine in Botany for
17.1
with Mr. Mervin (V. Mervin)
if required) but not lecture
in Botany.

As to (4) & (5) no
modifications stated.

Presumably in
State work shall receive
a further despatch
from the Secretary of
State announcing his
Barber's appt, probable
date of arrival & any
special terms arranged.
At the present stage it
will seem sufficient to
record this paper and send
a copy to Ind. for budget purposes.
