Office of the Board of Revenue
(Land Revenue)
Madras, dated 27th September 1898.

Read letter from F.C. Parsons Esquire, I.C.S., Acting Collector of Malabar to the Secretary to the Commissioners of Land Revenue, Madras, Ref. on C.No. 1166-B & C., dated 4th September 1898.

-----:o:-----

Reference No. 1087 dated 27th September 1898.

In its order No. 1802 dated 11th September 1897, --- Government sanctioned the retention till 30th September 1898 of ~~the~~ temporary establishment consisting of one clerk on Rs. 25 and another on Rs. 20 for the disposal of work in connection with the --- ~~f~~scheat settlement in the Ponnani taluk, Malabar district. The Board, while submitting the proposal to Government, remarked that the Collector should clearly understand that no further retention of the establishment would be allowed and that he must arrange for the -- completion of the ~~f~~scheat work before the end of September 1898. ---

1802.34. (Vide para 2 of Board's Proceedings No. 3137 dated 24th Aug. 1897).

2/. In the letter read above, the Collector reports --- that the ~~f~~scheat work remaining to be done in the taluk on 1st August 1898 relates to the preparation of title-deeds in 3375 cases in respect of 7636 items of land including waste lands, that 196 -- title-deeds have since been prepared and that there is still a --- balance of 3379 cases. The Collector states that the issue of title deeds involves much time and labour as in many cases the lands --- have been transferred from the parties with whom settlement had -- been made and enquiries have to be made into the claims of various individuals before the deeds can be issued, while the transfers --- necessitate numerous alterations in the quit-rent registers &c. The correspondence and other routine work relating to ~~f~~scheat lands -- are also reported to be heavy. Mr. Parsons who recently inspected -- the taluk office is of opinion that it will not be possible for -- the Taluk establishment which is greatly overworked to prepare the ~~f~~scheat title-deeds and is therefore compelled to recommend the ~~reten-~~ tion of the temporary establishment for another year.

3/ The Board observes that in his letter No. 562 dated 19th September 1896 disposed of in Board's Proceedings No. 4677 dated 14th October 1896, the Collector reported with reference to title deeds that the parties showed no eagerness to apply for the documents because they had to pay the value of the stamp paper and the registration fee and the deeds did not improve their rights in any way. In the present letter, however, Mr. Parsons states that applications are now being received in a large number of cases. There is thus plenty of work on hand, and in order to secure that the special establishment does not loiter over the performance of it the Tahsildar has been directed not to pass the pay of the scribe clerks without the orders of the Head Assistant Collector each month, and the latter officer has been instructed to see that the clerks produce a fair outturn of work. In these circumstances, the Board considers the retention of the establishment to be expedient, and recommends that the sanction applied for may be accorded.

4/ There is provision in the budget of the current year to meet the charge. (Vide item 55 of Appendix F to Board's Proceedings No. 336, dated 12th October 1897).

FOR ORDERS.

As to whether in the circumstances reported in the current read above, the retention of the temporary establishment for another year, ^{from 1 October '98} may be sanctioned as recommended by the Board of Revenue. It would appear from the necessary instructions have been issued to see that the Special establishment does not waste its time.
