Proceedings of the Board of Revenue (Land Revenue).

Forest NO 708 Misc, dated 15th October 1898

Read the following letter from E.D.M. Hooper Esq., Ag. Conservator
of Forests, Northern Circle, dated 17th September 1898, R.C. No. 411
E.

Under existing arrangements the Board is informed
of the condition of Government tents handed over with ^{each} range
charge and I would suggest that the Conservator file such Range
transfer reports in the Circle office only reporting to the
Board when the Conservator is informed of damage arising from
carelessness the repair of which he cannot sanction while punish-
ing the delinquent.

Resolution.

The Board approves the Conservator's
proposal. The following addition will, with the sanction of
Government, be made to App. X-A to the Forest Code, 2nd Edn:-

Insert at the end of para 7-

"Reports of transfers of Range Officers' tents need not be
forwarded to the Board. The Conservator is competent in such
cases to pass the necessary orders for the recovery of the cost
of repairing the tents which are damaged by the officer's
negligence. When repairs in ~~excess~~ excess of the scale sanctioned
in the preceding paragraph are found necessary, the Conservator
must prepare and submit an estimate for the orders of the
Board as required therein."
