Read letter from the Collector

Note.

In the tabular report read
above, the Collector states that

But what is the
relationship of the people in
col 7 to the deceased &
what is the meaning of
the collector report that
Lakshmi Tang Tamburatti
is "the younger of the
deceased"?

the
revised

It is submitted that the relationship
of the people in col. 7 to the deceased
is not known. By the expression
"the younger of the deceased" the
Collector apparently means that
Lakshmi Tamburatti is the
younger member of the Panangal
family than the deceased. As
she now happens to be the eldest
member of the family it is proposed
to continue the Malikhana in her
name for the support of herself
& the other members of the family.
