Proceedings, No. 415, 26th November 1897.

NOVEMBER.

Submitting to Government, revised statements of alienations of land and of land-revenue sanctioned during the official year 1896-97.

PROCEEDINGS OF THE BOARD OF REVENUE  
(LAND REVENUE).

READ—statements of alienation of land and of land revenue sanctioned during 1896-97.

RESOLUTION—No. 415, dated 26th November 1897.

The Board resolves to submit to Government revised statements of alienations of land and of land revenue, sanctioned during the official year 1896-97, together with abstracts in the forms prescribed in the Government of India letter communicated with Government Order, No. 649, Revenue, dated 19th November 1896.

2. In the case of Government lands assigned *as inam* in exchange for unenfranchised inam lands taken up for public purposes, the estimated market value of the lands *as inam* has been shown in column A of statement No. I and repeated in column 5, such grants being classed as sales for full value. Since the revenue payable to Government on such lands is also remitted, they have been included in statement No. II also.

3. The Collector of Gódlavari has assigned 70 cents of Government waste land free of assessment to the President, Taluk Board, Rajahmundry, for the construction of latrines, and 85 cents, apparently subject to assessment, to the Municipal Council, Cocanada, for a firewood depôt, without obtaining the previous sanction of Government under Standing Order No. 12-A. Similarly, the Collector of North Arcot has Taluk Board, Ráripéttai, for the site of a Local Fund school. The Board requests that the necessary sanction may now be accorded in these cases.

4. The Collector of Gódlavari has shown in his statement No. I the grant of 29 cents of land to private individuals for building purposes. The case is not one that should legitimately appear in the alienation statement.

5. The Board regrets the delay in the submission of these statements, which were due to Government on 1st June last. The last of the revised statements called for from Collectors in Board's Proceedings, No. 208, dated 19th June 1897, was received only on the 1st instant. Several defects in the district statements had to be rectified in this office before the general statements could be compiled.

G.O. (Pces) No 428/21<sup>st</sup> Jan. 1898

The statements of alienations of lands and a land revenue for the official year 1896-97 and their abstract will be forwarded to the Govt of India, with reference to their letters, No 2-556, dt 1.8.76, No 1 dt 1.2.79, & No 11-368-12, 16.10.90.

These statements, however, require revision as shown below.

2. With reference para 2 of the B.F. it is observed that as cases of Govt. lands assigned as inam in exchange for unencumbered inam lands taken up for public purposes are included in statements I + II and the revenue on such lands, which is remitted, is shown in statement II, the amount to be entered in col. 5 of statement I must be ~~the~~ <sup>of the lands</sup> market value, calculated not as inam but as subject.

## Land Revenue No. 1.

The statements of alienations of land and of land revenue for the official year 1896-97, and their abstracts will be forwarded to the Government of India, with reference to their letters No. 2—556, dated 1st August 1876, No. 1, dated 1st February 1879 and No. 11—368—1, dated 16th October 1896. These statements, however, require revision as shown below.

2. G.O., No. 129, dated 26th February 1897, merely sanctioned exemption from payment of assessment, of the site of the Parsee Church in Cannanore (Malabar district). The item should, therefore, be omitted from statement No. I.

3. The capitalized value entered in column 5 of statement No. II in the marginally-noted cases does not, as it should, represent twenty-nine times the assessment shown in column 4. The correct figures should be entered.
