DIRECTOR'S OFFICE,

OOTACAMUND, 6 October 1898.

From

W. M. STANDEN, Esq.,

DIRECTOR OF THE GOVERNMENT

CINCHONA PLANTATIONS,

Nilgiris.

To

The Secretary to Government
Revenue Department
Ootacamund

Sir,

Through
The Accountant General
Fort St George

I have the honor to forward
for submission to the Right Honorable
the Secretary of State, India Office, for
favour of Compliance, an indent for the
Chemicals, etc, which will be required
for the Government Quinine Factory
Medivattam during the financial year 1899-1900.

In accordance with para 2 of
Co. No 3924, Revenue, dated 24 October 1898,
the forecasts for the chemicals was sent
to Government with my letter No 42 of
5 September 1898, and passed by Government

Enclosure to letter from Director of
Cinchona Plantations Nilgiris
to the Secretary to Government
Revenue Department, Ootacamund
No 49 of 6 October 1898

11/10

in G.O. No 3684 Revenue dated the 9th September 1898.

3. The cost of the stores, viz £ 11,711-16-0, will be met from the sum of Rs 87,500, provided under "Cost of Europe Stores," provided in the Budget Estimate for the current official year, now before Government with my letter No 49 dated the 30th September 1898. I would particularly request that the Secretary of State be asked to arrange for the despatch of the stores, especially the Fuel oil, sufficiently early to ensure their arrival in this country before May 1899, in order that there may not be any stoppage of work. The Fuel oil can be sent in consignments of not less than 5 tons.

4. It will be observed that the cost of the chemicals now indicated for is to be charged to the accounts for

for 1899-1900, and I would lay special stress on this being observed; as in recent years, chemicals intended to be paid for in one year, have been charged to the preceding year, thus necessitating alterations in the final accounts of the Department.

5. Indents in quadruplicate as prescribed by G.O. No 190 Financial of the 31 January 1883 are enclosed.

I have the honor to be
Sir

Your Most obed^t Servant
Wm. Stanger,
Director

W.L.

No 4729

Fort St. George
Accountant General's Office
20th October 1898.

Forwarded. In para 3 of his letter, the Director apparently refers to his Budget Estimate for 1899-1900 and not to that of the current official year. With reference to para 4, it is observed that the cost of chemicals

or other Europe stores is in-variably charged
to the Department in the year in which
it is actually paid by the Secretary of State,
as required in article 1300, Civil Account Code.
The adjustment of these charges cannot be
deferred for want of provision in the Budget
of the Department.
