## Proceedings of the Board of Revenue

(Separate Revenue),

Dated 6th October 1898.

Mis. No. 3975.

Read again Board's Proceedings Mis.No.2807, dated 13th July 1898, passing orders on the proposals of the Deputy Commissioner Central Division, on certain points in connection with the cultivation of <sup>the</sup> hemp plant on the Javadi hills during the season beginning with July 1898.

Read also letter from Bryce Mc Master Esquire, Acting Deputy Commissioner, Central Division, No.5507, dated 18th September 1898, submitting proposals for the experimental cultivation of the hemp plant on a small scale.

### Resolution.

In para 11 of his letter No.2727, dated 6th June 1898, the Deputy Commissioner, Central Division, suggested to the Board the necessity for the Department undertaking the experimental cultivation of the hemp plant on a small scale in order to ascertain what improvements could be made in the process of manufacture. The Board approved of the suggestion and

requested him to submit detailed proposals for carrying <sup>it</sup> into effect.

Vide Board's Proceedings Mis.No.2807, dated 13th July 1898.

2. In the letter read above the Deputy Commissioner reports that the compound of the Kaniyambadi storehouse is the only ground that is suitable for cultivation and recommends that an acre may be set apart for the purpose. As the compound of the storehouse is well fenced with drythorn and live aloes, it is stated that all operations can be conducted under the eye of the Assistant Inspector in charge. The cost of the experiment is estimated at Rs.45.
3. It is observed that instructions have been issued to the Inspector, Vellore Circle, for making the preliminary arrangements for cultivation. As the season is reported to be favourable the Deputy Commissioner's proposals are sanctioned. The amount required for the purpose (Rs.45) should be drawn on an abstract contingent bill from the Vellore Sub-Treasury. The Collector of North Arcot will be requested to debit it to Salt Cash Remittances in his accounts.
4. A copy of these Proceedings will be submitted to Government for approval.
