Form No. 6.

Public Works Department,  
Railway Branch.

OFFICE NOTE No. ———

Dated ——— 189

From

THE JOINT SECRETARY TO GOVERNMENT, P. W. D. (RAILWAY BRANCH),

To

THE Secretary, Revenue Dept.

It is of great importance that the land should be made over to the Railway Company with the utmost expedition practicable. The Company, as advised by their solicitor in London, are already making trouble about the payment out of Revenue of interest on capital during construction, and they will be in possession of a strong argument if any avoidable delay takes place in making over the land.

This Dept. knows nothing about what staff are available. But if they are available they ought certainly to be drafted on to this. I suggest that orders should come in the Rev. Dept., and not in the P.W. Dept.

There is very little work being pushed on with full vigour this season, November to June, from Calicut to Bangalore that is 4 miles beyond Cannanore, if only the Rev. Dept. can give the land faster.

Understand that the  
cost of the addl. establish-  
ments will be recovered  
from the Railway?

I believe it is invariably the case  
that the cost of special civil establish-  
ment for Railway land acquisition is debited to  
the Railway grant for Land.

The only case in which this is not done,  
as far as I am aware, is when the work  
to be done (or remaining to be done towards the  
end of operation) is so small that it is  
considered that it can be carried out by  
the ordinary establishment of the District.  
Thus for example Land is not I believe charged  
for cost of civil establishment when a railway  
appears for an occupied block of a few acres.

An addl. DP/MT with  
establishment may be sanctioned?

7/10/18

Certainly  
ought to be  
done in acquiring  
the land.

To Under Secy

Orders re: estab-  
lishments for acquisition of  
lands <sup>for Railway purposes</sup> were till now being  
issued in the Railway branch  
of the R.W.D. The Joint Secy  
however suggests <sup>that</sup> in the  
present case such orders  
should issue in the R.D. as  
the P.W.D. "knows nothing about  
what staff is available" etc. The  
Secy's proposal that "an addi-  
tional Dep't Collector with  
establishment maybe some-  
times" has been accepted  
the Hon. member. A draft  
G.O. is accordingly submitted  
for approval.  
2. The papers have  
apparently not been circulated  
to H.E. the Governor in the  
R.W.D.

The question of the  
man to be sent may also  
it is submitted, be  
dealt with at once before  
H.E. goes on tour.

The work needs a man  
with some knowledge  
of the West Coast.

P. Sila Pantulu  
No 61 on the permanent  
list (later made a  
perm<sup>t</sup> 5<sup>th</sup> grade - 3000-  
83 collector) now on  
General duty in S.  
Canara seems the  
best man available.

His place can  
be taken by G. Narayana  
Sami Agar No 20 on  
the acting list, who  
with shortly he turned  
out of the temporary  
charge of P.O. Machi by  
Mr M. Young I.C.S. G.  
Narayana Sami Agar  
is the senior man  
on the "acting list"  
without an acting  
appt, except V. Rama  
Chandra Rao No 108 in  
the list. The latter is  
now at Cuddalore

Available & could go more  
conveniently to Cuddalore  
here, then as a passenger.

\* He was in charge of the  
H.C.'s Division but has  
reverted to B.O. I.C.S.  
having returned.

As he is ~~the only~~ the only man  
available who knows the  
West Coast
