Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 11th September 1898.

Mis. No. 3622.

Read letter from J.N. Atkinson Esquire, I.C.S., Collector of Sea Customs, Madras, No. 5841 G, dated 30th August 1898, requesting the Board to sanction the deputation allowance to Mr. L.F. Wisely Superintendent of Customs, Calingapatam and also to other Superintendents who were deputed to undergo training in the House Madras Sea Custom, in accordance with the directions contained in Board's Proceedings Mis. No. 2751, dated 11th July 1898.

RESOLUTION :-

In its order Mis. No. 2804, Revenue, dated 2nd July 1898, Government sanctioned the training in the Madras Sea Custom House of such Sea Customs Superintendents as require training and the posting in their places of the Sub-Inspectors recently trained in customs work. The Board begs to recommend that Sea Customs officers deputed for training under the above Government Order may be permitted to draw an allowance of Rs. 25 in the case of officers of grades corresponding to that of an Assistant Inspector and of Rs. 15 in the case of those of

the

the Sub-Inspector grade in accordance with the rates sanctioned for the officers of the Salt and Abkari Department deputed for training in the Distillery School (vide Government Order Mis.No. 2447, Revenue, dated 7th June 1898) and as recommended in the case of the six Sub-Inspectors deputed to the Madras Sea Custom House to learn customs work (vide Government Order Mis.No. 3423, Revenue, dated 20th August 1898). The Board considers that the reasons put forward in favour of ^{grant of} the allowance to the Sub-Inspectors apply with greater force in the case of the Sea Customs officers deputed for training, as most of them lose during that period their commission for collecting port dues and their over-time fees for working out of office hours and holidays, while Sub-Inspectors do not receive such allowances. The allowances and fees which Sea Customs Superintendents lose during the period of training will, in some cases, amount to more than the deputation allowances now recommended. As the Sub-Inspectors are drawing only their grade pay meanwhile there will be little, if any, extra expense to Government consequent on the arrangement.

Forwarded to Government.

- 1. The sanction of the Government of India would be necessary as in the case of the allowance granted to sub Inspectors under training.*
- 2. The grant of the proposed allowances was apparent-ly not contemplated when the proposal to depute Customs officers to Madras for training was made for the Board, in their Proceedings No. 2331 dated 11th June '98, observed the "12 men could be trained at a monthly cost of the pay of 6 Sub Inspectors".*
- 3. If the allowances are to be paid during the current year, it will be necessary to provide funds by reappropriation.*

To Secy.

In G.O. No. 2804 of
2nd July 1898, the Government
approved the proposal of
the Board of Revenue to send
six customs officers to
undergo training in the
Custom House, Madras.
Subsequently the sanction
of ^{The} Govt of India was
obtained to the grant of an
allowance of Rs 15 a month
to officers of not lower
grade than Sub Inspector
detailed for training in
Sea Customs ~~work~~ work
(vide G.O. No. 551 of 23.9.98).
The Board now proposes
that the allowance may be
raised to Rs 25 a month
in the case of Sea Customs

Superintendents corresponding to the grade of Assistant Inspectors and unges that during the period of their training such officers lose their overtime fees and commission on port dues. From the telephone message below, it appears that there are only two Superintendents answering this description. It is doubtful whether a reference to the Govt of India need be made on their behalf or whether it may be not wait until one of them has been actually sent for training.

H.M.

The Board ought to have contemplated their present proposal in making their original recommendations.

The Govt of India have only just sanctioned the Rs. 15 allowance & it is scarcely likely to go up to them again so soon. I think we must be satisfied with what we have at present rate in the present. S.D. 21/10/98
