Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture),

Dated 23 rd September 1898
No. 5723 Misc.

Read the following letter from C. Benson Esquire, M.P.A.C., Deputy Director of Agriculture, Madras, No: 117/A. dated 22 nd September 1898:-

I have the honor to draw the attention of the Board to the provision of Article 184 of the Civil Service Regulation, under which an allowance up to 50 per cent of the salary of the Secretary to the Commissioner may, if the Local Government see fit, be granted me during the period for which I have been in charge of his duties, and to request that the Board will make such a recommendation in the matter to Government as it may see fit.

Resolution.

Submitted for the favourable consideration of Government.

The Secretary in the Settlement Department was absent on two months' privilege leave from 22 nd July to 21 st September 1898, and as an officer new to the work would have been of little or no use for so short a period, it was

deemed

3.
deemed expedient on public grounds to entrust Mr. Benson with the duties of the Secretary in addition to his own. These duties he has satisfactorily performed. His salary and that of the Secretary are the same viz. Rs 1000 a month.

If an officer transferred from another station (and no suitable candidate was available in Madras) had been appointed to act, he would have drawn (under Article 120 of the Civil Service Regulations) an acting allowance of Rs 150 for the first month and of Rs 200 for the second month. There need, in the Board's opinion, be no difficulty in certifying that the salary to which the Deputy Director is limited by the proviso to Article 184 (viz. the salary of his ordinary appointment) is not enough for an officer doing the work of the Secretary as well, and the Board accordingly hopes that Government will be pleased to direct that the said proviso be dispensed with, and that Mr. Benson be permitted to draw the acting allowance to which he would be entitled but for the proviso. If this recommendation be approved, it will be necessary to notify that Mr. Benson will be considered to have acted as Secretary to the Commissioner in this Department from 22nd July 1898 to 21st September 1898 without prejudice to his own duties.

Forwarded to Government.

As the appointments of Deputy Director and the Secretary are both of them attached to the Land Records Department which forms a part of the Board of Revenue and is in charge of a Member who is the Director, Mr. Benson's claim to acting allowance for having performed the duties of the Secretary in addition to his own is governed by Article 186 Civil Service Regulations and as both the appointments are on the same pay of Rs 1000 per mensem, he is not entitled to any additional allowance.

Apart from Article 186 Civil Service Regulations however, Mr. Benson could not be held to have acted as Secretary to the Board, which is one of the listed appointments open to the Provincial Civil

Civil

Civil Service, without the sanction of the Secretary of
State under Rule IX of the rules for admission to
the Madras Provincial Civil Service published as a
supplement to Fort St. George Gazette dated 2^d April
1895.
