Resolution.

The Board begs to request the sanction of Government under section 98 of the Civil Account Code to the purchase of the following tools viz ^{one} anvil, one set of screwing tackle and one bench vice at a cost of Rs.200 from the provision for contingencies in the current year's budget.

2. As Government is aware the Board has, under the sanction conveyed in Government Order No.2037, Revenue, dated 9th May 1898, transferred all the stores etc belonging to the Department to the Tondiarpet distillery building recently vacated. Having there an establishment set apart to deal with stores, one officer of which is a skilled mechanic, it has found itself able to effect considerable savings in several directions specially in repairing machines and instruments; but for want of proper tools it has been unable to develop this as it would have wished. The tools indented for are for the use of the mechanic aforesaid. It

It is proposed to buy them locally.

Submitted to Government with the
remark that there is no objection to sanction
being accorded, if Government considers that
the local purchase of the tools &c would be
