Proceedings of the Board of Revenue

(Separate Revenue),

Dated 28th October 189 8.

Mis. No. 4244.

Read Official Memorandum from Government, Revenue Department, No.234, dated 8th October 1898, drawing the attention of the Board of Revenue to certain discrepancies noticed in the Income Tax Administration Report for 1897-98.

Resolution.

The Board begs to submit the following remarks with reference to the discrepancies in the Income Tax Administration Report for 1897-98 noticed in the Official Memorandum read above.

Discrepancy (1) The discrepancy occurs in the Presidency Town and is due to the inclusion in column 16 of the statement on page 2 of the Administration Report of Rs.24 being the penalty imposed in 1897-98 on account of arrears of 1896-97. This sum which was collected during 1897-98 was, however, included in column 18 headed "arrears including penalties" as the collection was in respect of an arrear amount. The following explanatory note

marked (a) will be made in respect of the figures in columns 16 and 18 against the "Presidency Town" and "Grand total".

(a) Includes Rs.24, penalty imposed in 1897-98 on account of arrears of 1896-97.

Discrepancy No.(2). Two persons who were originally assessed jointly were, on the presentation of revision petitions, taxed separately. This accounts for the increase of one assessee in column 30 as compared with the figures in columns 2 and 28. A foot-note to this effect will be inserted in the statement on page 30 in respect of the figures in column 30 against "Nellore", "total" and "Grand total".

Discrepancy No.(3) The necessary alterations will be made in the other places in the report.

Discrepancy (4) The figures in para 53 which were compiled from the monthly statements furnished by the Accountant-General excluded the adjustments in March 1898(final) received after the submission of the Income Tax Administration Report while Appendix A includes some of these adjustments.

2. A copy of the Administration Report revised with reference to the above remarks will be forwarded to the Superintendent, Government Press, with the request that the corrections therein noted may be carried out when striking off copies of the report.
