And the following:-

Letter from the Superintending Engineer, VI Circle, P.O. 7 T.L., dated 15th October 1907:-

I have the honour to inform you that the execution of the Tank Restoration Scheme work, situated in Tiruvellu Taluk and noted in the margin, was entrusted in 1907 to the Revenue Department, as the work was in a. out of way place and there was no subordinate then to carry it out. I forward a copy of the Executive Engineer's letter no. 2041 dated 1st October 1907 on the subject, and, under the circumstances, I request that sanction of Government may be obtained to the procedure adopted, if such sanction is requisite, under paragraph 20, Chapter III, Volume I, P.W.D. 1906.

It is reported that the work was completed and completion statement sent in.

The execution of the work in question by other agency has been reported to Government in the Provincial Objectionable Items Statement for April 1908, bearing G.O. No. 2186 T dated 20th August 1908, as objectionable.

Order thereon no. 832 J & 27.10.08

The execution, by the Revenue Department, of the work referred to is sanctioned.
