Office of the Board of Revenue.

(Land Revenue).

Madras, dated 2nd November 1898.

Read letter from V.A. Brodie Esq., Collector of ---
Godaavari to the Secretary to the Commissioners of Land Revenue, --
Madras, C.No.1501 G.B., dated 25th September 1898.

Read also letter from the same officer, Ref. on Cur
No.1501-Acc., dated 12th October 1898.

Reference No.1234 dated 2nd November 1898.

With the letters read above, the Collector of Goda-
vari forwards for sanction bills for arrears of pay or allowances
amounting to Rs.110-9-3 due to certain officers in the district -
whose claims have been allowed to remain in abeyance for a period
~~not~~ exceeding two years. A statement showing the names of the offi-
ces to which the bills relate, the periods for which the arrears -
are due and the amounts involved in each case, is appended. The ---
claims covered by these bills were prepared by the officers con-
cerned before the expiry of the limit of two years but consider-
able delay took place subsequently in the Huzur Treasury. The Col-
lector explains that this was due to the Accountant in his office
who was in charge of the bills. It is stated that the Accountant -
was "carrying on the necessary correspondence about the bills ---
"till December 1897" but afterwards mislaid them for several ----
months and that notwithstanding a diligent search they were only
recently discovered. In these circumstances, the Board recommends -
that the account officers concerned should be authorized under --
G.O.No.1422 Rev., dated 9th April 1896 to investigate the claims.--
It is observed that the Collector has suitably punished the Ac---
countant in the Huzur Treasury by whom the bills were considerably
delayed. Presumably, the Treasury Dy. Collector and the English Ac---
countant are also to blame for not exercising the necessary super-
vision over the work of the Accountant.

2. The Revenue Inspector, Bhadrachalam Taluk, referred
to in Bill No.3 in the statement appended, was employed in the ---
post

post during the period noted in the margin but was allowed to draw --
 8.5.96 to 31.12.96. pay only at old rate of Rs.25 per mensem Rs.
 -- amount due Rs 77-11-10 he had not then passed the Survey test. (Vide
 para 3 of Board's Proceedings No.46 dated 22nd. January 1891 disposed -
 of. in G.O. No. 260 Rev., dated 4th April 1891). He has since passed the --
 test and now claims the increased rate of pay for the period referred
 ---- to. It is not stated however whether he qualified in surveying as
 soon as he could and whether a certificate to this effect was granted
 by the Collector as required in para 3 of Board's Proceedings No. 46, da-
 ted 22nd. January 1891. The Collector is requested to furnish information
 on this point when the claim comes under investigation by the account
 officers.
