OFFICE OF THE BOARD OF R
(LAND REVENUE)
Madras, 17th September

READ— letter from W.O.Horne,Esquire,Collector of Vizagapatam to L.Davidson Esquire,Acting Secretary to the Commissioners of Land Revenue,Madras,R.C.No.1501,dated 11th August 1898.

------:0:------

Reference No. 1039 dated 17th September 1898.

The Collector of Vizagapatam forwards a draft notification under section 6 of Act I of 1894 for the acquisition of 4.59 acres of occupied dry land for extending the village-site of the Government village of Pakalapadu in the Golugonda taluk.The Head Assistant Collector has reported that the existing village-site (8.99 acres)gives an average of no more than ~~3 1/8~~ three and one-third cents per house whereas para 1 of Standing Order No.37 allows 4 cents each even to non-pattadars. The villagers are willing to defray the cost of the acquisition and have accordingly deposited Rs.93 in the Taluk office. The Board recommends that the draft notification may be approved and published in the Fort Saint George Gazette.

2. The Collector is of opinion that the offer of the villagers to pay the cost of acquisition should not be accepted,as Government usually grants sites in rural tracts free of cost to the villagers.The Board does not consider that this is a sufficient ground for declining the offer. The usual grant referred to is one of available waste ~~note~~ not of land purchased for the purpose.

3. The details given in the Collector's draft notification regarding the estimated cost of acquiring the land work up to a total of Rs.93-10-0 and not Rs.93-12-5.The necessary correction has been

ade in red ink.

4. A true translation of the statement taken from the owners who object to the proposed acquisition is submitted for the information of Government with reference to para 4 of Standing Order No. 11 New Edition. The Collector reports that no other suitable land is available for the extension of the village.

REVENUE DEPARTMENT.

Cur No. 6472 of 1898

From the Board of Rev (L.R)

Ref No. 1039 Dated 17 Sept 1898.

FOR ORDERS.

Para 2 of S.O. No 37 (Revised Edn) lays down the following scale at which village site may be granted for building purposes:—

	Cents
To pattadars paying Rs 50 & upwards	10
" Other pattadars	5
" Non-pattadars	4

In the village of Pakalapadu in the Vizagapatam it is reported that there is an average of no more than $3\frac{1}{3}$ cents per house. It is therefore proposed to extend the village site by acquiring 4.59 acres of occupied dry land. The cost of acquisition comes to Rs 93.10-0 and the villagers have deposited Rs 93 for the purpose. As the land is not waste but has to be paid for

by Govt the Board considers that the offer made by the villagers need not be declined. The proviso to Sec 6 (1) of Act I of 1894 requires that the compensation to be awarded should be paid by a Company or wholly or partly out of public revenues &c. To comply with this provision, it is believed that the public revenues will, apparently contribute a nominal sum towards the cost of the acquisition.

The owners of the land to be acquired are not willing to part with it ~~so that Govt should contribute it with Cannabis and Tobacco~~.

A draft order approving the draft Notification is put up on the docket sheet of the current, for approval.

Note under Go. 2808 / 2-7-98 in which it was decided that so long as the Govt was paying for the land (in the first instance) it was immaterial that the Villagers intended contributing an equal amount to the public revenues. In the B.P. disposed of in Go. 3971 / 5-10-98 the Board sanctioned a nominal sum of one rupee as contribution by Govt in order to comply with the provisions of the Act.

The decision in Go. 2808 / 2.7.98 may be followed. There is no need for Govt to contribute a nominal sum. The purchase is made from the public funds. If the ryots are willing to make a payment to Govt it may be accepted. Please see draft
